THOROUGH INSPECTION – TO THE CORE

Our vehicles undergo a series of checks and inspections following a set procedure before they are put out on the market. So, even though our vehicles are pre-owned, our customers can be sure to receive vehicles, that are not only reliable, but in perfect condition.

STANDARD, COMFORT OR PREMIUM – WE SERVE EVERY NEED

Every customer has different requirements – also regarding price and vehicle preparation. Based on their specific characteristics, such as age, mileage and reprocessing work, the vehicles are divided into three categories – STANDARD, COMFORT and PREMIUM - in order to best meet the needs of the customers.

FROM OLD TO NEW

For all repairs on the vehicles we only use IVECO original parts and components. That way we can be sure, that the vehicle is as close to its original state as possible and will have a long second life.

SAME BENEFITS AS FOR A NEW VEHICLE

Our offer includes additional services, such a warranty valid in all Europe, mobility services and leasing and financing solutions. A professional team supports our customers on the choice of the most suitable second-hand vehicle according to their business application to get the best value for money.
